Products Introduction

Tactical Helmet - ACH

Material

- **Shell: Aramid (high-strength woven aramid)**
- **Lining: Foam**

Feature

- **Weight: 1.45 kg($\pm 2\%$)**
- **4 - point adjustable buckle safety harness**
- **High-cut style**
- **Equipped with night vision goggle mount**

Protection Level

- **NIJ 0106.01 - IIIA**

Hard Armor - III+

Material

- **Covering with CORDURA® Fabric**
- **Ballistic Material: UHMWPE**

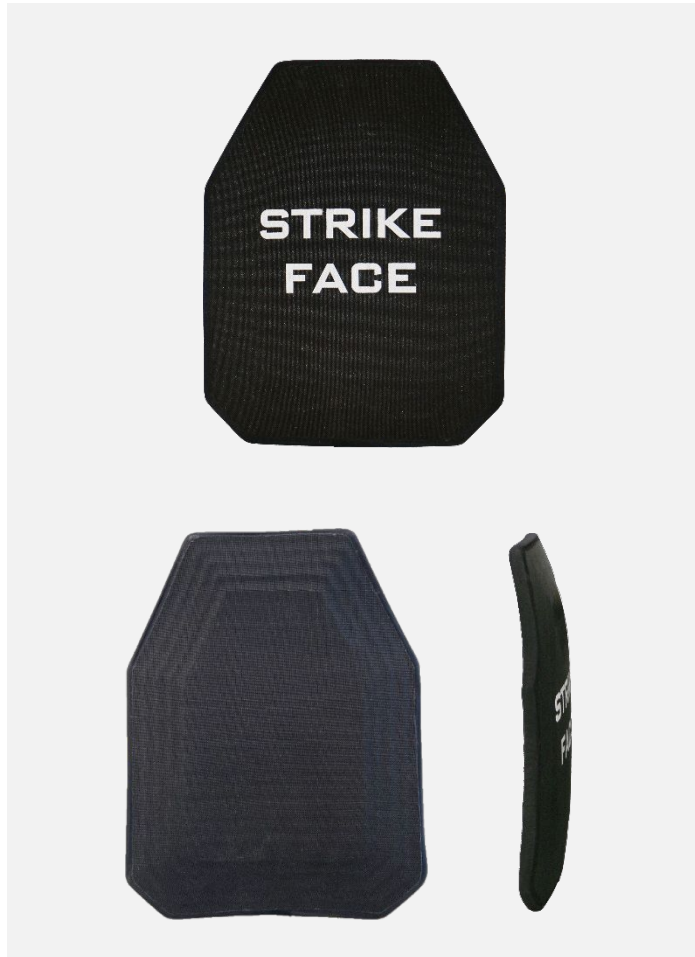

Feature

- **Weight: 1.1 kg and 1.3 kg → lighter than equivalent ballistic plates**
- **Single-curve meets current popular demand.**
- **The covering layer utilizes nylon fabric.**

Protection Level

- **NIJ 0101.04 / 0101.06 - 7.62x51 FMJ / 7.62x39 AK47 MSC**
- **For Special Threaten**

Hard Armor - IV (Multi-Curved)

Material

- Covering with CORDURA® Fabric
- Ballistic Material: UHMWPE & Silicon Carbide

Feature

- Weight: 2.2 kg → Lighter than equivalent ballistic plates
- Multi-curved → Silicon carbide stacked in a gradually smaller manner for a better fit to body shape, providing enhanced comfort, especially for women.
- The covering layer utilizes nylon fabric.

Protection Level

- NIJ 0101.04 / 0101.06 - 7.62x51 NATO AP / 7.62x54 API / 30. Caliber M2 AP

Tactical Vest - Quick Release

Material

- **Garment:** 600D Nylon Fabric
- **Lining:** 3D Breathable Mesh

Feature

- **Weight:** Lower than 5.7 Kg - Lightweight design.
- **Quick-release system**
- **Enhanced neck and groin protection**
- **MOLLE system**

Protection Level

- **NIJ 0101.06 - .44mm / .357mm / 7.62x51mm**
- **III+ hard ballistic plates to increase ballistic protection level**

Tactical Vest - Female

Material

- **Garment: Polyester or Polyamide Cover**
- **Lining: Moisture-wicking Fabric**

Feature

- **Special chest line design - Provides a better fit to cover the curves of the female chest.**
- **Front Velcro design - Easy adjustment of tightness and facilitates wearing and removal.**
- **Customizable sizes and outer shell colors.**

Protection Level

- **NIJ 0101.04 - IIIA**
- **NIJ 0115.00 Stab-proof Standard**

Suit Protection Vest

Material

- **Garment: 100% Wool Material**

Feature

- **Designed specifically for politicians, business executives, and VIPs.**
- **Back Velcro design - Can be concealed within a suit jacket to enhance protection.**
- **Customizable sizes and outer shell colors.**

Protection Level

- **NIJ 0101.04 - IIIA**
- **NIJ 0115.00 Stab-proof Standard**
